Hi Micheline,

My apologies, but I have been asked to inquire into the status of NDEP's comments on the 3-party MOU for the Anaconda Site. I understand that the Office of Management and Budget is close to moving the proposed NPL package through its clearance process. Part of that process is to ask the affected Department, in this case, U.S. Department of the Interior, if it concurs in the proposed listing of a Site on the NPL. BLM/DOI has taken the position that it will not formally concur until the 3-party MOU is finalized and signed. If you could let me know the status, that would be great.

Please let me know if you would like to discuss.

Thanks,

Nathalie

Do we have a finalized version I can transmit to my client for final approval?
